# About Us

Over 20 years ago, BlueCarp Group started as a small sales venture and has grown into a global wholesale distributor. Over the years, we have become a key source of High-quality furniture and Outdoor Equipment for the retail market. We have built our reputation on low prices, a large selection, and great service. From owning our factory we've partnered with more than 200 factories to be able to respond to the ever-increasing demand for our Products. Our Aim at BlueCarp is to offer all our partners and customers a world-class Service and to offer High-Quality Products.

## Cutting-edge Manufacturing

BlueCarp invests a sizeable portion of its annual revenue in digitalized production, and technology, Through rigorous quality checks throughout the production process, the choice of premium materials, an absolute passion for the most cutting-edge machinery, a conscientious pursuit of technologies and raw materials, and the meticulous planning of every phase typical of craftsmen, everything within the company has been designed to be sustainable and to contribute to improving production.

# Why Us?

All Our products have been designed and tested to ensure their safety and durability. They've passed industry-standard inspections as well as personalized testing, so that we provide the best quality.

Experienced R&D Team

We Have a Team of Expert that works hand in hand with you to help you bring into existence all your projects .

With a Team of Professional to help you answer all your Questions and provide all the support that you deserve on time.

Easy & Secure Payment Method

We support different types of payment including T/T transfer, PayPal as well as West Union.

100% Sustainably sourced Materials
